The intent of the Youth Literacy Scrabble Tournament is to provide players and spectators with an afternoon of friendly competition with a focus on enjoyment, to raise funds for children and youth who are trying to build their literacy skills. Registration begins at 2 pm and the games begin at 2:15. All games are time-limited, so plan to arrive early!

Single players will play the game using Official Scrabble Game Rules in groups of two, three or four.

Due to time limitations, all games will be limited to 45 minutes. When the time limit has expired, the game will be completed when the final player in line has had his/her turn.

Prizes will be awarded at 5 pm to those who got the highest score in a 2-person game, a 3-person game and a 4-person game. There is also a prize for the highest-scoring word.
